

BE YOUR OWN BOSS

- Low start up costs compared to other businesses.
- High profit margins. For every dollar that a customer spends, you'll keep about seventy cents. That's huge!
- This is a cash business. Every day is pay day. No checks, no receivables!
- Ease of entry. All you need are a few easily obtainable licenses and permits and you're ready to go.
- Portability. Easy to move.
- Independence. Work when you want, where you want. You're the boss.
- Flexibility. You can do this full time and make a fantastic living, or just work weekends for extra spending money. Work when YOU want.
- High Income. You can make \$3000 a week or more. Many hot dog cart vendors make over \$100,000 per year!
- Scalability – grow as big as you want, if you want, when you want.
- Recession proof. In today's economy you can't afford to be in anything else! Works even when the economy is weak. Low price points keeps them coming back.
- Low stress. Sleep late, work for 4-5 hours, make a few hundred dollars and be back home before the kids get out of school. Food vending isn't emotionally or mentally draining. There's no corporate pressures, office politics or worrying about who is going to stab you in the back today if you don't perform well enough. It's a low stress job where you can just have fun and make money. You don't have anyone breathing down your neck or anyone you have to listen to.
- Easy to sell. If and when you want.
